

FAASTeam CFI Education & Information Series #1

This educational session is intended for CFIs who may wish to renew their CFI Certificate when completing appropriate course requirements. CFI weaknesses and other factors will be examined in this interactive forum, including Pilot Deviations as it relates to Airspace and Runway Incursion violations

Kindly note the change of venue location to IBM's Hangar W

Directions: See Map Link and Additional Information

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
